*"HELPING BUSINESSES PROCURE THE PRODUCTS  
THEY NEED"*

# Your trusted source

About our company

Established in 2012, we are a full service import & export company-offering services in product sourcing, product placement, shipping and freight forwarding.

## Our services

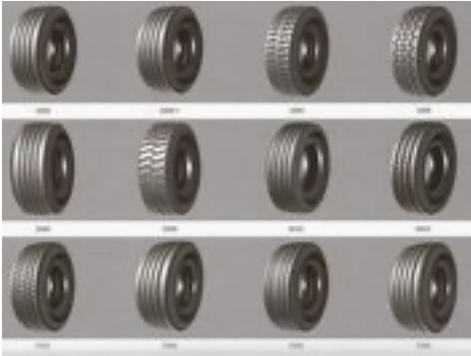

- \* Product sourcing
- \* Shipping
- \* Product market reports

- \* Product placement consulting
- \* Freight forwarding

# Let us do the work for you

## *Our Trusted Suppliers*

We represent manufacturers in various industries that offer multiple products. Our suppliers offer competitive pricing, fast turn-around and dependability. Some of the products we offer:

### *Truck Tires*

Choose from a wide selection of high quality, high performance tires for truckers. All tires carry manufacturer warranty and surpass durability.

### *Men's Jeans*

All jeans are made from high quality cotton materials. We also offer customization of jeans for larger quantities.

### *Children's Furniture*

Offering 100% durable school furniture for school children ages 3 – 11 years old.

### *T-Shirts*

Our selection of preshrunk t-shirts is made with 100% cotton. Select from sizes S – 5XL and get your t-shirts with your own customized label.
